

St. Paul Lutheran Cemetery
Wright Road between Taft and Centerline.
Section 36, Dallas Twp.,
Clinton County, Michigan
Reading 4/2002

St. Paul Lutheran Cemetery is a small inactive cemetery on Wright Road south of Fowler. While mowed and free of brush, the markers are in poor shape. Most are leaning, toppled or broken. Because of the poor condition of the markers, heavy reliance is being placed on the 1938 reading.

One row of graves is to the north and west of the main block of graves. For the purposes of this transcription, that will be called row 0. The remaining rows in the main block are numbered starting with 1. All readings were from north to south and west to east.
