New, Mighty, 3 to 4 Plow, Gas or Diesel

CO-OP E-4 TRACTOR

This is no "junior" tractor for extra jobs; the CO-OP E-4 is a mighty machine with amazing farming capacity! **NEW TRANSMISSION**—selective sliding spur gear type, 6 forward speeds, 2 reverse; **NEW COMFORT, CONVENIENCE**—push button starter, handy grouped controls, comfortable, adjustable seat; **NEW SURGING POWER**—efficient, economical, 6-cylinder gas or diesel engines. Four standard and row-crop models fully tested in factory and field. **ACCESSORIES**: independent pulley drive for belt jobs; separate control live power take-off; powerful hydraulic lift system. Don't miss seeing the CO-OP E-4; come in now for a demonstration!
