.....

DEWITT is located in DeWitt Township,  
 Clinton County, on the Looking Glass River,  
 and on the Lansing & St. Johns Electric Ry.,  
 7 miles north of Lansing and 11 miles south of  
 St. Johns, the county seat. It was settled in  
 1818 and has a population of about 500. It is a  
 model little city of neat, comfortable homes, and  
 well kept streets. Its religious interests are  
 well cared for by the Baptist and Methodist  
 churches, while the public schools are ex-  
 cellent, well conducted and largely attended.  
 DeWitt has a bank, hotel, barber shop, two  
 meat markets, hardware, drug store, feed mill,  
 creamery, implement house, three general  
 stores, grocer, furniture store, saw mill, two  
 blacksmiths, shoe store, harness shop, coffee  
 roasting plant, jeweler, lumber yard and pro-  
 fessional men, and is a good trading point.  
 The merchants provide well for home buyers  
 and sell their goods as cheap, if not cheaper,  
 than surrounding towns or cities.

A perusal of this directory will acquaint  
 you with some of DeWitt's loyal merchants  
 and point you on where to trade.
