# To Vote On Proposed DeWitt Elementary School

DeWitt and area residents had their first "peek" at the plans and proposals for a new Elementary School, to be built just North of the present inadequate building, on Wilson Street, DeWitt.

The School Board met with the public, the Warren Holmes Company, Architects & Engineers, Mr. Leo Corkin, and others, for discussion of the new building, on Monday evening, May 7th, at the De-

Witt High School.

With the shortage of classrooms for the youngsters a definite setback for our schooling system in the DeWitt area, measures are now being taken to remedy it, and to plan for the future.

Plans of the new building may be seen at any time at the high school, or in the window of the Lankford Variety Store.

On Tuesday, May 22nd, the program will be presented to the public to vote upon. You may cast your vote at the DeWitt High School Gym, from 12:00 Noon to 8:00 P. M.

The new building to house the youngsters will mean much toward the start for a new high school for DeWitt in the very near future.
