Because of rain we were not able to complete all of the games. Everyone seemed to  
enjoy the games and several hundred participated; many expressed a wish to have such  
a night each year. A special thanks goes to Larry Arbanas and Richard Lotre for  
organizing and setting up these games. Floyd Fowler was in charge of the horse shoe  
pitching and Bicentennial Flags went to Willard Reed and Keith Davis as the winning  
team.
