# COUNTRY MEADOWS

## THE ABSOLUTE COMMUNITY

### AWAY FROM IT ALL

Housing developments come and go. But you've yet to see anything like Country Meadows. It's an entire, exclusive community where you can literally live, play, shop for the finer things, without ever leaving the community. And since Country Meadows spreads out to encompass the local public school site, your children can even attend school right next door!

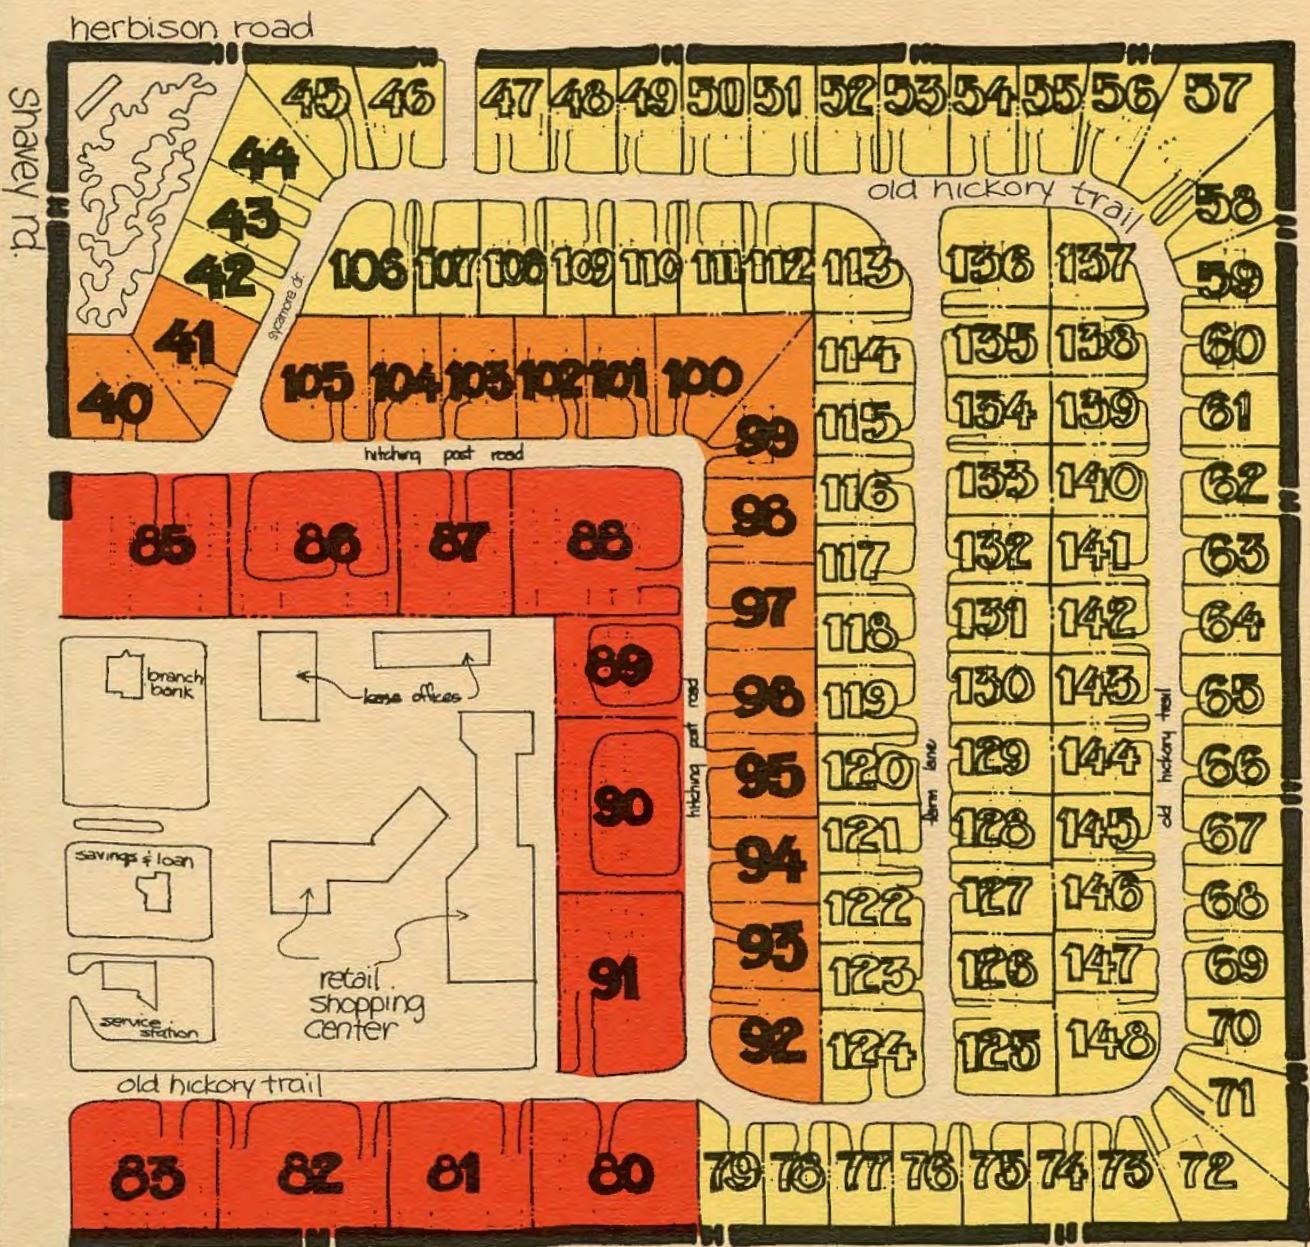

In describing Country Meadows, it's difficult not to use words like "breathtaking", "beautiful", "peaceful", "unique". Country Meadows is truly a haven from today's disturbing city life. It encompasses all that is new and modern, yet, the charm and leisure way of living of a more quiet time has been captured and embellished.

The moment you drive into Country Meadows, you feel as though you could settle forever in the shade of the windmill. You feel relaxed and comfortable and you know the feeling will last.

Look around. There are large, inviting single family homes, each expressing its own personality. There are massive duplexes, totally a new breed of home, unlike any duplexes you've ever seen. There are elegant apartments; easy, spacious townhomes; luxurious condominiums. And that's just the beginning.

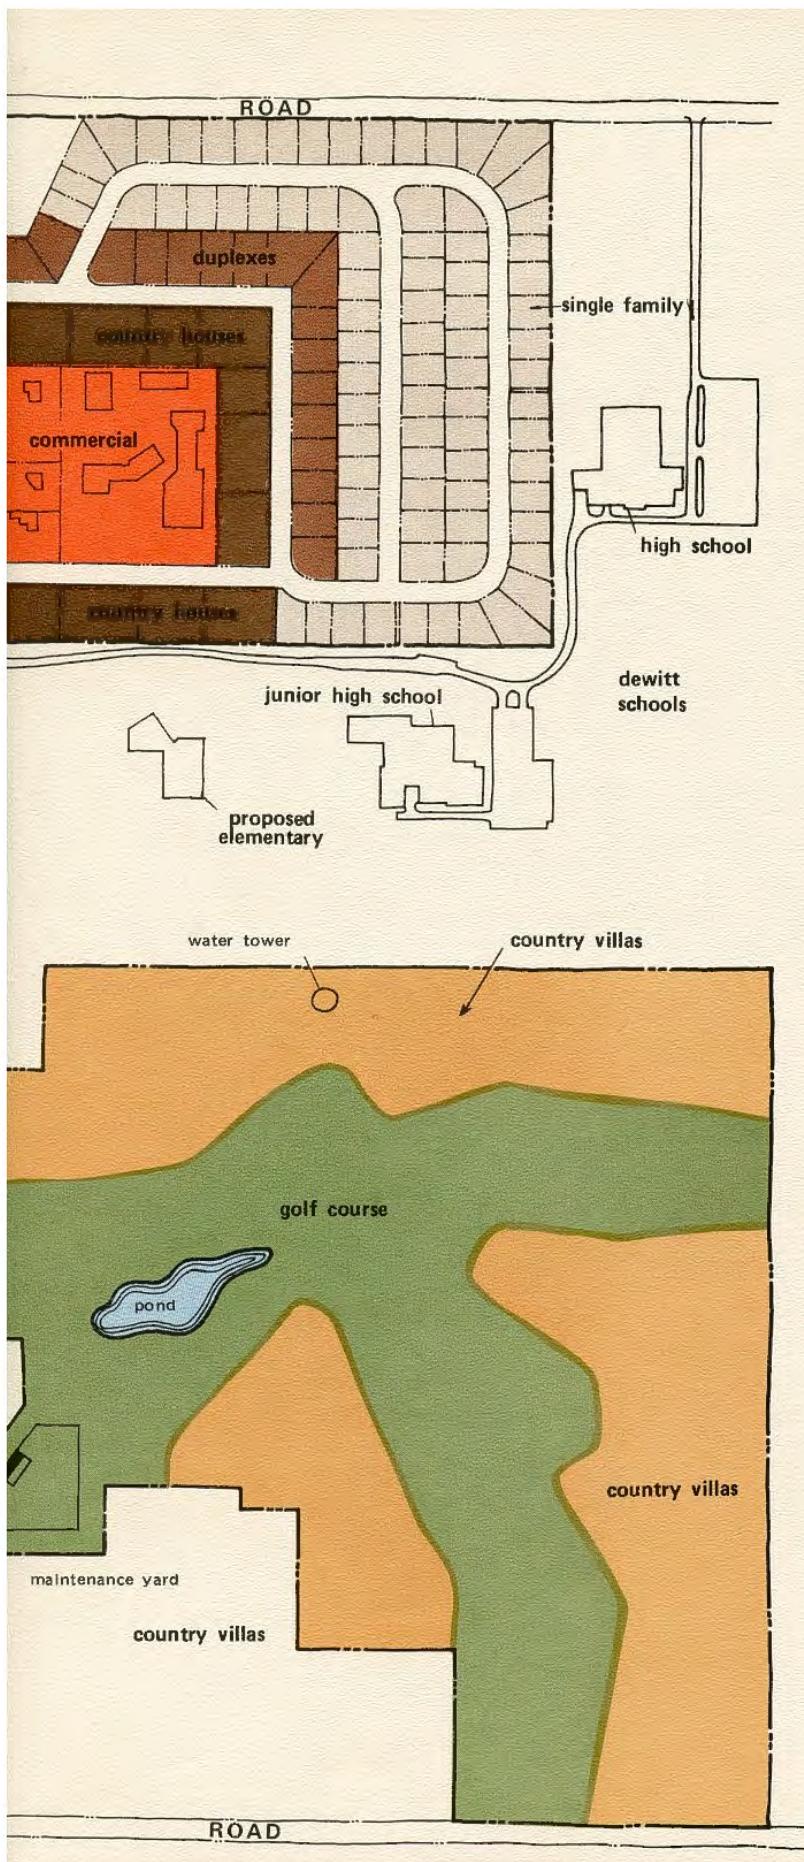

There's a lavish athletic club that beckons even docile souls over for exercising, swimming, paddleball, squash, tennis, basketball, volleyball, massages and sunning; and for social and cultural activities as well. There is a very unusual shopping center made up of nothing but boutiques, speciality and import shops designed to appeal primarily to and serve the needs of the established medium and high income adult market. Included also in the shopping center are essential professional and business offices for your convenience. And of course there's a golf course!

Everything possible has been done to make Country Meadows your luxury dream community come true. We hope you enjoy it.
