Let's hope we can say goodbye to the ice age--and good riddance!

While a day, or maybe two, of indoor camping around the fireplace-stove and roughing it without electricity or water can be a novelty, stretching things beyond that point reaches hardship proportions. Five days minus modern conveniences was enough to make me breathe a sigh of relief and a silent prayer of thanksgiving almost every time the light switches on, or water flows from the tap.

The ice storm was no repeater of ages. We had a son-in-law, daughter and grandchild spend two days with us, until their utilities came back on; then we reversed the procedure and went south from DeWitt to Holt for the next three days.

They're sponsoring tasty chili suppers - and this is just the right weather for chili - from 5 to 7 p.m. before boys' home basketball games on Tuesdays and Fridays, January 18 - 25 - 29, February 1 - 5 - 22. You can stop in at the high school cafeteria for chili or hot dog, even if you don't happen to be attending the BB game.

And be sure to get a \$5 ticket for a chance on the \$500 Shopping Spree, which the Booster Club is sponsoring at DeWitt Shop-Rite on Saturday, January 26. Contact a band member parent or Band Director Jeff Kressler 669-2240.

Lioness Club Volunteers

The conference room in DeWitt Memorial Building boasts a new coat of paint, thanks to hard-working members of DeWitt Lioness Club who met Saturday, January 5, to handle that chore. Wielding paint brushes, left to right, are Vi Pennington, Marilyn Boyd, Fran Graves, Donna Gartside and Lorna Gillespie.

'Main Street' Invitation

Anyone interested in DeWitt's downtown development and revitalization is invited to attend a 'Main Street' slide presentation and program at 7 p.m. Wednesday, January 16, at Prairie Creek Clubhouse, 800 E. Webb Rd.

The city's Downtown Development Authority and DeWitt Business Association are sponsoring the program, which the Michigan Department of Commerce will present. The Main Street program is dedicated to making downtown come alive again by creating an appealing place for shoppers and business people to work, browse, relax and transact business.

Main Street is a cooperative effort between a community's public and private sectors to enhance the downtown business area both economically and physically. As such, it focuses on four elements - organization, design, promotion and marketing - to achieve the desired total image improvement. It is designed, not as a planning program, but an implementation of numerous small changes over a period

utilities came back on; then we reversed the procedure and went south from DeWitt to Holt for the next three days.

Numerous grandparents, who lost their heat, moved to childrens' homes during Ice Week, and grandchildren were enchanted to have them in such close proximity for that length of time. One, in fact, invited her great-grandmother to "live here forever." However, more than one set of grandparents admitted afterwards that it was great to get back home to "peace and quiet" again.

A brief stint like that helps us to realize how dependent we are upon gas, electricity and our utilities. Candlelight may be romantic, but give me a light switch any day. What rotten pioneers we would have made!!!

Wallace Watt, W. Stoll Rd., will serve as treasurer of the Michigan Senior Advocates Council for 1985. The council is a statewide group of senior citizens, which develops legislative positions on aging issues. Active in retirees affairs, Watt retired at 70 from the Michigan Mental Health Department.

ALONG THE LOOKING GLASS

Faye Hanson Memorial Library board of trustees will be taking sealed bids for a large round oak table (cut down and painted) and an antique desk through January 30, 1985. The items may be seen at the library during regular library hours.

Bids may be sent to the library, 206 W. Washington, DeWitt 48820. The library board reserves the right to reject any or all bids.

DeWitt Lioness Club will hold a Euchre Card Party as a fund-raiser Saturday, February 2, in DeWitt Memorial Building. Tickets will be \$10 per couple. Contact Fran Graves, 669-9143 or Vi Pennington, 669-3587, for information.

SERVICES AID LOCAL CITIZENS

Carroll D. Lee, chief of DeWitt Township Police Department, reminds residents that a variety of services are available to them.

Neighborhood Watch, a community-based program which emphasizes "keeping an eye out for your neighbor", now has more than 24% township participation. In conjunction with the Health Department, the police provide infant/toddler seats to township residents as part of the Child Safety Seat Program.

Structures and grounds can be inspected to identify security weaknesses and recommend improvements under the Residential Business Survey. Engravers can be used to mark property to reduce risk of theft and increase recovery of stolen goods, under the Operation Identification program.

The police also handle Youth Fingerprinting, whereby minors with parental permission are fingerprinted to aid in the investigation of missing children.

PTO MEETS

Waverly School teachers Connie Wolfe and Judy Kestenholz will be guest speakers Monday, January 21, when DeWitt Parent Teachers Organization meets in Scott School Cafeteria at 7:30 p.m. They will discuss Waverly's Gifted and Talented Program, how it was started and its ensuing development.

First grade teacher Diane Jones, who is the elementary representative for development of a gifted program in DeWitt, will be the guest teacher.

All parents and teachers of students in grades K-5 are urged to attend. For further information, contact Denise Baird, 669-5656.

Hang on to your Kellogg's boxtops. DeWitt Parent Teachers Organization is sponsoring collection of the boxtops at Scott and Fuerstenau Schools.

Kellogg's will donate one cent to the "Save the Statue of Liberty Foundation" for each box top collected. Certificates will be awarded to the schools, citing the number of box tops collected.

DEWITT HIGH SCHOOL CAST READIES ANNUAL MUSICAL

This is the month of the musical! Drama instructors and students at DeWitt High School are in high gear for the next week's performances of "West Side Story."

Directors Penny Rypstra, Jeff Kressler and Lyn Kressler have been overseeing rehearsals and are excited about the production.

"We have been doing musicals here for 11 years," Rypstra remarks, "and have put off 'West Side Story' much as we loved it, because it is such a challenge for high school actors."

"We're so proud of these kids," she continues. "They have put lots of extra time into making this play work."

Under the tutelage of dance instructor Bobby Boling who is now appearing at the Lido in Paris, the youthful actors have been rehearsing since September, because of the intricate dancing which the show requires. There are five to seven dance scenes in "West Side Story."

Once again, the directors say, "fantastic vocal talent" has been found in the student body. "Tonight and 'I Feel Pretty' are among the familiar well-loved musical numbers in the play. The pit band under the Jeff Kressler's direction will provide music for the show.

Costumes are coming from New York and most of the students have ordered professional dance shoes. Students from the high school's advanced art classes are working on black and white drawings, depicting the lives and times of the period (late 1950's and early '60's), which will be on display in the lobby for intermission viewing.

Joyce Bordui has researched hair styles of the period, because she and her Hair Drop staff will be handling hair arrangements for both male (ala Jimmy Dean) and female performers (very bouffant). Since some 58 students appear in the play, that will be a king sized task.

Graphic arts instructor Ray Unger and his students will again design programs and tickets for the production.

Performances will begin at 7:30 p.m. on Wednesday, January 23, Thursday, January 24, Saturday, January 26, and a 2:00 p.m. matinee

Police Chief Wendell Myers congratulates Mike Ferland, who assumed full-time officer status on January 1 in DeWitt's Police Department.

Mike Ferland, whom DeWitt Police Department sponsored at the Michigan Law Officers Training School, has just become a full-time officer in DeWitt.

One of the candidates selected through the Michigan Municipal League testing service, Ferland completed requirements for his associate's degree in law enforcement at Lansing Community College upon graduation from the police academy. He has been on the DeWitt police force part-time for about a year.

A DeWitt High School 1979 graduate, Ferland captained the AAU-sponsored United States karate team in California for two years, competing internationally. Involved with karate for the last nine years, he has taught self-defense classes for children and likes weight training/body building.

Ferland's aims are to complete his education and "be the best police officer I can." A Lansing resident, he is the son of Dave and Mary Ferland, Idylcrest Avenue. He was also Chief Myers' paper boy some years back when Myers lived in Idylcrest subdivision.

"This is the first time DeWitt's Police Department has been at full strength since 1977," Myers says. He cited budget restrictions and expiration of the CETA program for the department's subsequent decrease in size.

Sgt. Albert Van Steenkiste and officers James Wilson and Charles Janeski complete the roster of full-time policemen. Part-time staff includes officers Jon Priebe, Joe Dionise, Matt Ramsey and David Biergans and secretary Marjean Pelkey.

in the play, that will be a king sized task.

Graphic arts instructor Ray Unger and his students will again design programs and tickets for the production.

Performances will begin at 7:30 p.m. on Wednesday, January 23, Thursday, January 24, Saturday, January 26, and a 2:00 p.m. matinee performance only, Sunday, January 27 in DHS auditorium.

Tickets are \$3.50. Advance ticket reservations may be made by calling 669-2240, Ext. 23, between 10 a.m. and noon.

CITY COUNCIL NOTES

The long-promised public hearing on special assessment costs for the DeWitt Road-Bridge Street Project should occur in February, city Aide Bob Peterson estimated, following the January 7 council meeting.

Mayor Lynn Thayer will give a report at the January 21 meeting, covering special assessments and information in the local share of costs, as well as his recommendations to council. Although federal assistance covers some 77% of the project's costs and city /citizens bear 23%, the government excludes certain items which it does not deem part of of the project. Said items, totalling about \$45,000, include numerous piecemeal curb and gutter, street repaving, storm sewer and portions of sidewalks and ramps on W. Dill Rd., E. Washington, Webb Rd. and Bridge Street.

Peterson reported that a Consumers Power check had pinpointed several blocks of deteriorated line on Main Street, which is the cause of insufficient power to program Channel 29. Unless the recent ice storm causes setbacks, Consumers Power had mentioned possible replacement of the line in February.

In response to a complaint from Jim and Myrna Greer about heavy traffic turning the corner of their property on W. Webb St. at Turner, council asked Police Chief Myers to review the situation. Council approved a resolution between the city and Clinton County DPW, applying for a grant under Clean Water Act 329, which recoups losses incurred in closing older sewage plants, and granted approval of a liquor permit for Prairie Creek Golf Course.

What good has apathy ever done? The Jews, Roman Catholics, and the blacks were persecuted and few said anything. Governments have been put up and governments have been torn down and still very few said anything. Apathy may be the death of this mighty nation of ours.

The word apathy comes from the Greek word "apatheia" which means "insensibility". That's exactly what many people in the U.S. are today. "insensitive" with the attitude of "why should I care? It doesn't concern me." But it

torn down and still very few said anything. Apathy may be the death of this mighty nation of ours.

The word apathy comes from the Greek word "apatheia" which means "insensibility." That's exactly what many people in the U.S. are today. "insensitive" with the attitude of "why should I care? It doesn't concern me." But it concerns every American citizen, and if it doesn't now, it will later on.

I pledge to fight this apathetic attitude!

It is in fact, the duty of every American to vote, get involved in the local politics, national government, and foreign affairs. We must speak out so that our rights that we have aren't taken away from us.

The right to vote, for instance, was once forbidden to the Confederate States after the Civil War and they were not allowed to participate in Congress. That right could once again be taken away but next time on a permanent basis. Or our voting system could be that of the Union of Soviet Socialistic Republics. Oh, they get to vote all right! but they have only one name on the ballot.

Another right we take for granted is the freedom of speech. But do we really have that right? In 1968, Jerry Reuben and a group of men were arrested, charged and found guilty of treason for making an anti-Vietnam speech.

What about freedom of the press? Does it include book banning and censorship laws? The story of Fahrenheit 451 could be our future where books and other printed material are illegal.

It says in the Constitution that the people of every state have the right to keep and bear arms. So why do we have laws restricting hand guns and other concealable weapons? For instance: In a small town north of Chicago, Ill., in the late 1970's, all hand guns were prohibited by law. I realize that some abused the privilege, but it is still a Constitutional right.

The Constitution states, and I quote, "Congress shall make no law restricting an establishment of religion, or prohibiting the free exercise thereof." And yet congress made a law forbidding prayer in public schools!

That's why involvement in national politics is necessary. If every American was apathetic,

A famed biologist spoke to some ninth graders about the danger of rat infestation. The young people listened attentively, and when the lecture was over, one girl rose to speak the class' thanks.

She ended by saying, "We didn't even know what a rat looked like until you came to our school."

we would no longer have those freedoms we unconsciously enjoy. We must keep those rights from slipping away any more than they already have.

But what about foreign affairs? Why should we get involved in other countries' problems? That is also for our countries future and for the later generations. If we don't get involved and know what is going on outside our own boundaries, George Orwell's legacy may come true and sooner than we think.

Think about nuclear weapons. It's your choice, not the governments. If you don't make a decision, are you willing to live with someone else's opinion?

Many Americans say "Why should we send troops to help those little countries? Let them solve their own problems!" The reason is simple. They'll remember we helped them during their crisis; therefore, they'll be thankful and feel obligated. That means the U.S. will have another ally instead of one more enemy.

If something is going on in this country that you don't like or feel is wrong, do something about it by voting or petitioning. Don't just sit back and wait for someone else to do all the work, because they could be waiting too. And by the time someone gets around to doing something it could be too late.

Apathy has never done anything productive. And I personally pledge not to be apathetic, but to vote to uphold our constitutional freedoms and to make my voice heard concerning foreign policy matters.

MAIN STREET PROGRAM AIMS TO ENHANCE DOWNTOWN SECTION

Enthusiastic response to last Wednesday night's Main Street program has encouraged members of the Downtown Development Authority and DeWitt Business Association to continue looking into the idea for this area.

"The end result of a program like this is to involve the community in sprucing up downtown, making it more attractive with a hometown flavor," said DBA President Paul Tate.

Wednesday's program included a presentation by the Michigan Department of Commerce on designing a successful "Main Street" revitalization program. Mason and Williamston are nearby communities which have been working on Main Street Projects.

Advance letters from the DBA and DDA inviting local community and civic leaders to attend the program, included the following information:

Over the last three decades thousands of towns have made an effort to revitalize their central shopping areas. The DeWitt Business Association and Downtown Development Authority have decided to initiate such a revitalization effort in our town.

Today "Main Street" cannot compete on the same terms with the commercial developments, simply because it does not have all the features that make for immediate success of other well planned shopping alternatives. Yet "Main Street" is a place in people's mind as well as a physical entity. For decades it was the town's central place of commercial and social activity. It was the backbone of the marketplace in cities and towns across the country; the place where most goods and services people needed could be found.

When someone said they were going into town or going downtown, everyone knew where they were headed: Main Street.

TOWNSHIP MINUTES

DeWitt Charter Township approved the purchase of markers, identifying new burial sites in the expanded section of Gunnisonville Cemetery and agreed to the City of Lansing's request for a sewer lift station on Sheridan Road.

January 14 business also included a second reading of the ordinance rezoning Coleman Road property, on which Granger will erect an office building, from agricultural to light industrial. Patricia Reton has been hired as police department secretary and Candy Laughlin as aerobics class instructor. The board appointed Bernice Deatsman to the library board, filling a vacancy caused by Jan Everett's resignation. Harry

A Special Thank You

The DeWitt Community Christmas Organization wishes to thank each and everyone who helped in any way with the Christmas Project. This is a community project, and was made possible through the generous donations of money, toys, games, baked goods, mittens, canned goods, groceries, Christmas breads and cookies.

These came from the churches, clubs, organizations, Thrift way Market, Fuerstenau and DeWitt High School students, DeWitt Cooperative Preschool, Hope Lutheran Preschool, the Scout troops and individuals of the community.

It made a joyous and happy Christmas for 29 families, including 59 children, several senior citizens and shut-ins.

We would like the community to know that we give assistance all year long, if the necessity arises in the DeWitt Community.

Thanks again.

YESTERYEAR

Clinton County, created by the Michigan legislature in 1831 from Wayne County, which had at first embraced all of the lower peninsula, originally constituted the single township of DeWitt.

DeWitt is the oldest permanent residential community in Clinton County, dating back to Captain David Scott's arrival with his family on October 4, 1833.

Scott first built a log home on the banks of the Looking Glass River. Shortly thereafter, he built a public house to accommodate settlers and travelers. Scott's Place, a popular gathering spot in the 1830s and 40s, was the nucleus for DeWitt, which took its name from DeWitt Township and DeWitt Clinton.

DeWitt was the county seat for a while and county fairs were held there until they were moved to St. Johns.

SENIOR WINS AWARD FOR VFW ESSAY

Senior Matt Elliott won third place award at DeWitt High School and a \$50 U.S. savings bond in the recent Voice of Democracy essay contest, which was sponsored by the Veterans of Foreign Wars. His winning speech follows.

MY PLEDGE TO AMERICA

By Matthew Elliott

This summer, I had the opportunity to go to Germany. While I was there, I noticed a fierce national pride in the people. This feeling for their country surprised me; in America being patriotic hasn't been very popular. The horror and strife of Viet Nam and the distrust of the government instilled in millions of Americans is just now wearing off. It occurred to me that national pride is a good indication of how happy a person is in that country. If you love your country, the question "Is it better somewhere else?" doesn't come up because you know that here is the best it can be. The Germans love their country and we are beginning to take pride in ours too. I have made a few personal pledges that I think will help perpetuate this feeling of love for America.

When I am 18, I will be asked to sign up for selective service and will be eligible to vote. With the same pen I will register for both. One may seem mandatory and the other voluntary, but I see both as necessary obligations. Although I am not enlisting, I am not afraid to serve in the military if called upon. Secondly, I feel it is imperative to exercise a right that so many have died for and this is to vote.

The next question becomes "Who do I vote for?" I am not campaigning for office or endorsing a candidate but I do feel that

DBA HONORS PAUL TATE

On behalf of the DeWitt Business Association, Bill Reed presented a farewell plaque to Paul Tate, DeWitt funeral director who is moving to Texas, at Wednesday's luncheon meeting in DeWitt Memorial Building.

The plaque, prepared by calligrapher Dee Robertson, said, "In recognition of his years of dedicated service rendered to the City of DeWitt, the DeWitt Business Association wishes to thank and commend H. Paul Tate."

Reed, who takes over DBA president's reins with Tate's departure, summed up the feelings of the community by concluding simply, "He will be missed."

military if called upon. Secondly, I feel it is imperative to exercise a right that so many have died for and this is to vote.

The next question becomes "Who do I vote for?" I am not campaigning for office or endorsing a candidate, but I do feel that everyone should be well-informed voters. To go to a polling place with no knowledge of the candidates or issues is a waste of a person's voting power. This brings me to my third pledge; to always know the issues and candidates in an election. After all, poor leaders are hard to be proud of.

One of the largest and most visible symbols of American ideals is the Statue of Liberty. After years of neglect, the Lady is finally getting needed renovation. Major fund-raising drives have gotten the restoration started, but there is always a need for more money. It is one of my goals to help save this great monument to America.

All the things mentioned so far are going to take place in no more than five years. But what about the Twenty-first Century the year 2000 and beyond? At the turn of the century, I will be 33 then, and my generation will be near the forefront in world affairs. Just as it is important today, technological superiority and world respect will be musts. Something at least as important will be opening relations with the Soviet-influenced part of the world. If two superpowers are to coexist, cooperation will be needed from both sides. I hope that my future business career will allow me to show the people of the earth how America plans to lead them through the next century. I intend to be the very best I can be in my chosen profession; not only for myself, but for my country as well.

These pledges are what I can do to keep America great. I hope others will make commitments to this nation so that the swelling wave of patriotism in this country will crest, and stay that way for another 200 years. Our country has the best systems of government, the most opportunities, and the greatest people on earth. We have a right to be proud of it. I am.

School Report

DeWitt Board of Education adopted a resolution at their January meeting to hold a Lansing Community College millage election March 4. LCC will be asking an increase of one mill in their charter millage.

The board approved interviewing and filling the following 1985-86 coaching positions: two assistant football coaches, a J.V. girls' tennis coach, and freshman, J.V. and varsity coaches for girls' basketball.

DeWitt High School is now developing a procedure to recognize an outstanding student from each grade monthly placing the honorees' pictures in a showcase. Recognition is to be based on class achievement, effort, attitude, responsibility and character.

Thank and commend H. Paul Tate.

Reed, who takes over DBA president's reins with Tate's departure, summed up the feelings of the community by concluding simply, "He will be missed."

EUCHRE CARD PARTY SATURDAY NIGHT

Euchre teams will go into action Saturday evening, February 2, when DeWitt Lioness Club members hold their fund-raising euchre card party in DeWitt Memorial Building. Euchre players, age 18 and older, are invited to compete for the prizes.

Tickets at \$10-per couple will be available at the door or can be purchased from a Lioness Club member. First place couple, after 10 games, will win \$100; second place, \$50; door prize, \$25. Snacks, coffee and soft drinks will be served.

For tickets or information, contact June Swann, 669-3660; Fran Graves, 669-9143; or Vi Pennington, 669-3587.

CITY COUNCIL NOTES

A tentative February 21 date was set for a public hearing on the long delayed DeWitt Road-Bridge Street Project at Monday evening's meeting of DeWitt City Council.

Mayor Lynn Thayer presented a comprehensive report on the project, outlining assessment information for both the city and citizens. Costs of the storm sewer, driveway approaches, a portion of sidewalks and curb and gutter were among assessable items Thayer listed, as well as 79% of both preliminary and construction engineering costs.

The city, Thayer reported, will pick up the total sum of purchasing right-of-way, bridge reconstruction, new street widths and portions of sidewalks, and 21% of the preliminary and construction engineering costs.

In additional action, council tabled financing plans for new city facilities until a report is presented from a bond counsel and accepted a bid from Morton Salt of Chicago for 50 tons of road salt at \$1,267.

Church Sunday evening, February 10, at 7 p.m. The Messengers who originated at Capital City Christian School in 1972, have since made three albums and given numerous concerts. The program is open to the public.

DeWitt Memorial Association will meet in the DeWitt Memorial Building library conference room Wednesday, January 30, at 7:30 p.m. The public is invited.

Julie Ruhala from Catholic Social Services in Lansing will speak on "Understanding Your Children" Thursday evening at the monthly meeting of St. Jude's Women Association. Each woman attending is asked to bring one item for small infants (clothing, blanket, crib sheet, etc.) which will be donated to Operation Stork. The meeting will follow 7:30 p.m. mass.

DeWitt Booster Club will hold the regular monthly meeting Monday, February 4, in the high school cafeteria at 7:30 p.m. A slate of officers will be presented for the March annual meeting and plans for the March 2 Las Vegas Night will be discussed.

We planned to see the high school rendition of "West Side Story" on Saturday night because we figured the cast would be sailing along smoothly by the third performance. But reserved tickets went like hotcakes and we got there Wednesday night instead.

The talented young men and women took the stage like seasoned professionals... no opening night jitters, (at least none that showed

on stage). Broadway couldn't have been better.

It would be futile to try to select the outstanding performer. The singers, the dancers, the pit band - all were excellent. Parents and friends were proud, and with good reason. "West Side Story" received a well-deserved standing ovation on opening night.

Congratulations - cast, choreographers, directors - for a great show!!

NEIGHBORHOOD WATCH

The Neighborhood Watch program is progressing well in DeWitt and the police department hopes to have the entire city covered by summertime. Police are currently working with Lake Geneva subdivision west of Schavey Road, Milbrook Meadows, Evelyn Cutler and Viewcrest subdivisions, according to Chief Wendell Myers.

A meeting will be

Neighborhood Watch. Literature on home security, a display of door locks, film presentation and coffee will be on the agenda for the meeting in the high school cafeteria.

Persons interested in having a Neighborhood Watch on their street are welcome to attend. Questions or suggestions may be called in to police department secretary Marjean Pelkey, 669-9991.

Area residents interested in having a Senior Citizen Center at DeWitt Shopping Center are invited to a get-together meeting Wednesday, January 30, at 10 a.m.

The meeting will take place at the former Country Meadows Shopping Center, in the building on the south side of the complex which was once a book store. Discussions will determine if there is enough interest to have a Senior Citizen Center at that location.

ICE RINK OPEN

The frigid weather has brought at least one benefit to DeWitt - the Bridge Street ice rink across from Riverside Park is now open to the public for skating.

Parks and Recreation Director Diane Szewczyk, in making the announcement, says that the DeWitt Fire Department made the ice rink and the Department of Public Works now maintains it.

The rink, located south of Looking Glass River on the west side of Bridge Street, is lighted for skating at night.

Peiffer Wins College Meet

Doug Peiffer has continued his winning ways in wrestling since leaving DeWitt High School. A junior at Siena Heights College in Adrian, Doug won a first place medal in the six-school invitational which Siena hosted the week-end of January 19.

DOUG PEIFFER

Peiffer pinned his first two opponents in the 190 lb. class, one in 1:02 and won a 10-5 decision in the final match of the invitational. Participating schools were Oakland University, University of Dayton, Defiance College, Findlay College and Heidelberg College.

The son of Terry and Marie Peiffer, Luroma Circle, Doug graduated from DeWitt in 1982. During his high school wrestling career, he was state champion in junior

FOLLIES TO HOLD FEBRUARY TRYOUTS

"What Color is Music?" is to be the theme of the 1985 spring DeWitt Follies set for Friday, Saturday, March 22-23 in DHS auditorium. Director Ruth Ueberroth invites prospective participants to follow the color theme - i.e. Tie a Yellow Ribbon on the Old Oak Tree, My Blue Heaven, The Green Green Grass of Home, Deep Purple, I Dream of Jeannie with the Light Brown Hair - in their musical selections for the program.

The possibilities are endless. You can probably think of a dozen more titles in every type of music from jazz to rock to classical without half trying. Adult performers are encouraged to show off their talents, Ueberroth says, and all ages are welcome.

Tryouts will be held Monday, Tuesday and Wednesday, February 11-12-13. Please mark off the dates on your calendar if you would like to be in the follies. The first evening of tryouts will be reserved for elementary and middle school performers, with February 12-13 for high school and adults.

DeWitt Booster Club is again sponsoring the popular follies. Connie Toune is to be assistant director and Jim Ryan will serve as emcee. Terry Gartside will present an organ prelude to the program; Sandy Rich is handling tickets.

Some 30 acts were presented last year in a fast-paced two hour show. Single, duet or group acts are welcome and Director Ueberroth will be happy to assist you with planning any acts. She can match up one lone singer or performer with another adult, if that should be requested.

Most of the previous years' stage crew and lighting people will be back, but stage directors are still needed. Anyone who is interested in working on the follies in any area should contact Ruth Ueberroth, 669-9591.

Four high school boys, afflicted with spring fever, skipped morning classes. After lunch, they reported to the teacher that their car had a flat tire. Much to their relief, she smiled and said, "Well, you missed a test this morning, so take seats apart from one another and get out your notebooks."

Still smiling, she waited for them to settle down. Then she said, "First question: Which tire was flat?"

PRAIRIE CREEK HAS INTERESTING HISTORY

Exterior of clubhouse in August

The DeWitt Development Corporation, a local organization, had its beginning in 1971, when ten local persons decided they would like to build a golf course in DeWitt. Interest was high and the original ten quickly expanded to 25 persons. Del Rose was approached about the Rose farm property (ultimate site of the golf course and several housing developments on surrounding land). The DeWitt Development Corporation purchased the property totaling 249 acres, in 1971.

After the land purchase, a feasibility study was conducted by a firm which confirmed that it was an excellent site for a golf course. The course itself was designed by William Newcomb and Associates of Ann Arbor. (this firm also designed Boyne Mountain's Alpine Course and 18 holes of the Boyne Highlands' courses). Next, the City Council of DeWitt was approached for the zoning changes required.

In 1975, a group named Joty Corporation approached DeWitt City Council, stating that they were interested in building a bowling alley and ice skating rink in DeWitt. The council expressed a preference for seeing the golf course developed; as a result, Joty Corporation leased the land from DeWitt Development Corporation in 1975 to develop the golf course.

The front nine was built and opened for play in 1979. In 1981, Joty Corporation was bought out by a new corporation, Prairie Creek Golf Course, Inc. and this corporation built the back nine which opened for play in 1983.

In addition, Prairie Creek Golf Course, Inc. built the clubhouse, banquet facilities and lounge which opened December 2, 1984. The current owners are Dee Hamilton, president; Roger Overway, secretary, John Hiatt, treasurer and Don Seyfried and Russ Thornton, directors.

Grand Opening in early December

The caterer is Matt Purves, formerly of Country House Catering in Okemos. Buffets are currently offered on Friday evenings from 5 to 8 p.m. and on Sundays from 10 a.m. til 2 p.m. The lounge facilities opened on a daily basis January 15. Hours are 11 a.m. to 10 p.m. every day except Monday.

The DeWitt Development Corporation which now consists of 23 members continues to develop remaining corporation land.
