# CLASS HISTORY

We were in the sixth grade in the years of 1955-56. Our teachers were Mrs. Treber and Mrs. Diller. There were 54 persons in our class. The new students were Pat Girvin, Celia Kinley, and Bonnie Allen. The students who left were Hubert Timmer, Leon Parkinson, Phillip Lienhart, and Charles Thompson. Our trips during that year were to Hoppe's Pond for ice-skating, to WJIM, and also the safety patrols went to Detroit to see a baseball game. For the class trip we went to the Detroit Zoo.

We were in the seventh grade in the years of 1956-57. Our teachers were Mrs. Waldo and Mr. Peel. The new student was Foy Greenwood. Charles Bursley and Jimmy Cook moved. There were 55 students in our grade. We went on a trip to Greenfield Village.

We are now in the eighth grade and the year is 1957-58. This year we graduate and most of us are looking forward to it. For our trip we are planning to go to Ocqueoc Group Park for a week of camping. We have earned the money for the trip by sponsoring dances, selling yearbooks, selling advertisements, and having candy sales. Our home-room teachers and sponsors are Mrs. Treber and Mr. Copland. Phillip Lienhart returned again, our new students were Marvin Echols and Carolyn Brock. Foy Greenwood moved to Virginia. Our class colors are blue and white, our class flowers are roses and our class motto is: "Make your goal the highest star".
